

NAI establishes Nordic Advisory Team

NAI, the only managed global network of independent real estate advisors has established the **NAI Nordic Advisory Team**. The team has specialists in Norway, Sweden, The Baltic States, Finland and Denmark who provide professional strategic advice to clients in a uniform way across the Region.

“Together we are able to advise owners and banks on the restructuring of distressed portfolios in these challenging economic times. We are able to provide an audit of all assets. All firms have qualified professional real estate expertise able to provide valuation, transactions and consultancy advice in English and local languages,” says Mikael Holmström, CEO of NAI Svefa Transactions, Sweden.

Each country has local expertise which is drawn together to provide a unique Regional Service which also has the global touch with access to 325 offices in 55 countries.
